The holidays are all about indulgent flavours and creating memorable moments with family and friends. These Ribeye Steak Crostinis made with Nutrafarms' grass-fed, ribeye steaks are the perfect start to your holiday recipe series. Tender, juicy steak paired with a crispy, garlicky crostini and a zesty garlic aioli—this appetizer will leave your guests raving!

Ingredients:

- **Nutrafarms ribeye steak**
- **Baguette or ciabatta**
- **Garlic**
- **Rosemary**
- **Butter**
- **Chives**
- **Salt and pepper**

For the Garlic Aioli Sauce

- **Dijon mustard**
- **Mayonnaise**
- **Garlic (minced)**
- **Lemon juice**
- **Salt and pepper**

Instructions:

1. **Season the Steak:** Generously season the Nutrafarms ribeye steak with salt and pepper. Sear it on high heat for 3–4 minutes per side to achieve a perfect medium-rare (or to your desired doneness). Allow the steak to rest for 15 minutes before slicing to retain all those delicious juices.
2. **Toast the Bread:** Slice the baguette or ciabatta into thin pieces. Toast in the oven at 375°F (190°C) for about 5 minutes, or until golden and crispy.
3. **Garlic Infusion:** Once toasted, rub a peeled clove of garlic on each warm slice to infuse it with a savoury aroma.
4. **Assemble the Crostinis:** Thinly slice the rested ribeye steak and place a slice on each piece of toasted bread.
5. **Add the Aioli:** Top each crostini with a dollop of the garlic aioli sauce and sprinkle with freshly chopped chives for a burst of flavour and colour.
